

Hello!

My name's Martina, I'm twelve and I attend year 8 (seconda media) at Emilio Salgari School. I am a secondary school student. I always start school at five past eight and I finish school at five past one p.m. I don't do any optional activities but in the afternoon you can have Music lessons in my school. All my lessons are in the same classroom, but we always go to the Art room. I have twelve subjects and twelve teachers. My favourite subjects are Maths and Religious Education. I'm good at Physical Education, but I'm not very good at Maths. I study two foreign languages (English and Spanish). That's all for now. Write me soon.

P.S: Are you in year 8 now?

Love

Martina
